# 4 mount

## TRIDENT Frontsystem montieren

Ausgewählten Bügel im Unterteil in der Mitte platzieren.

Fell bis zum Steg aufkleben. Mittigkeit beachten.

Mit Oberteil korrekt [O] zusammenschliessen und mit den drei Schrauben festklemmen.

Schrauben nicht überdrehen!

## TRIDENT Montage système frontal

Placer l'étrier choisi au milieu dans la pièce inférieure du support.

Coller la peau jusqu'à la cale. Veiller à l'axe médian.

Fermer correctement [O] avec la pièce supérieure puis bloquer avec les trois vis.

Ne pas faire foirer les vis!

## TRIDENT Mount the front system

Place the selected bracket in the center of the lower part.

Adhere the external covering up to the crosspiece. Observe the center.

Correctly mount the upper part [O] and secure this with the three screws.

Be careful not to over-wind the screws!
